

Dear Sir / Madam

Skipton Road, Harrogate Landscape Design Workshop Report Back

When: Thursday 25 May 2017, 2.00pm – 4.00pm

Venue: White Hart Suite, White Hart Hotel, 2 Cold Bath Road, Harrogate HG2 0NF

You are invited to a **Skipton Road, Harrogate Landscape Design Workshop Report Back**.

Please RSVP to assist us in planning the event.

The Skipton Road site is located in the heart of North Yorkshire, approximately 1.5 miles north-west and within easy reach of Harrogate town centre. The site covers an area of more than 18 hectares (46 acres) and is bounded by the A59 Skipton Road to the south and Otley Road to the west. In 2014, outline planning permission was granted for Phase 1 and Phase 2 of the site for development of no more than 210 dwellings and 135 dwellings respectively.

JTP has prepared and submitted a Reserved Matters application for the site on Wednesday 29 March 2017.

A Landscape Design Workshop was held on Wednesday 14 December 2016 which was an opportunity to meet our team, learn more about the proposals, hear inspirational talks and contribute to the design of the landscape and public realm. Following the Landscape Design Workshop, the design team worked to analyse and summarise the outcomes and draw up a consensus landscape masterplan for the site and a vision for how it could be used by the new and existing community which was reported back on Monday 23 January 2017.

Since then, the team have taken on board feedback and worked up a 'Layering Landscape' document as well as the Reserved Matters application which the team would like to feedback and discuss at **2.00pm on Thursday 25 May 2017** at the White Hart Suite in the White Hart Hotel, Harrogate. The presentation will last around 45 minutes, followed by a group discussion and talk about what the next steps could be as well as exploring ways to develop the vision further.

If you are unable to attend this session but would still like to participate, please let us know and we will try and arrange another time to take you through the presentation. I really hope that you and/or colleagues can attend; if you would like any more information please don't hesitate to contact me at community@jtp.co.uk.

Kind regards

Leigh Yeats
